THE EPITOME OF TILING

INNOVATION

Italica is a company that was formed in 2004 with the idea of filling the void of excellent quality tiles in India. Over the years, Italica has grown into one of the leading suppliers and distributors of large format wall and floor tiles in India.

Italica has a distribution network that supplies tiles to independent and national retailers not only in the country, but we have also forayed into the international market in the last few years. In addition, our experienced retail sales team is readily available to offer premium merchandising advice and support for showrooms.

Contemporary style that blends with the tradition of the stone

Revolutionize the luxury of your life with a touch of royalty and elegance from the classic series, which has been inspired by the beauty of the contemporary era. Explore new traditions and add a new colour to your life in this modern world. The nobility of marble and the refinement of coloured veining find their perfect balance in Purity of marble. A project range complete with porcelain stoneware and white body floor tiles that uses ceramics to interpret the elegance and beauty of ten precious marbles offering today's architecture solutions for project design.

CRAFTING CREATIVITY: GRIT GRANULLA SURFACES FOR MASTERPIECES

This surface is achieved by a combination of special glue mediums, sugar glazes and micro- granules powder. It is generated through a mixture of specialized micro-granule powders applied on special glue mediums and shiny sugar glazes.

This surface finish is giving aesthetic look with a combination of sugar surface and highlighted veins and spots with a shiny granulla. The special granules gives an embossed shapes which makes the textures very beautiful. The special granules are able to get the dark colors also with a precise graphics.
